September Development Change Log

Task	Status	Assigned To	Notes
Consultation Fee Renaming to "Platform Fee"	Completed	Frontend & Backend	
Smart AI Diagnosis Feature	Completed	Frontend & Backend	Fixed AI diagnosis to work with both Open AI accounts. Added new AI health section to homepage and AI health to the slider.
In-Chat Text & Video Enhancements	Completed	Backend & Frontend	In-chat text messaging enhanced. Fixed bugs that prevented users from sending messages.
In-Chat Video Consultation Feature	Pending	@Dante	
Payment & Payout System Updates	Completed	Frontend & Backend	Renamed "Pending Payments" and "Completed Payments" to "Payouts" to reduce user confusion. "Paynow History" section was also added to show payments made to Paynow. Updated Paynow Handling.
General Bug Fixes & UI Enhancements	Completed	Frontend & Backend	Fixed a login issue that redirected users to the wrong account. Removed redundancy in the mobile navigation login dropdown. Fixed the layout for languages and updated security mod headers.
